

Sumiran Nagture

Software Engineer

I'm an experienced software engineer who constantly seeks out innovative solutions to everyday problems. In my three years in this industry, I've honed my analytical thinking and collaboration skills, and I love working with a team. Involved in ASP.Net Core, Database, WebApi, Angular etc. Having good knowledge on development tools like Visual Studio, Postman, SQL Server. Ability to work flexibly and adapt accordingly. Excited to continue my career by joining a company composed of driven professionals and Seeking to secure a challenging position as a **Fullstack Dotnet Developer**.
