- **APIs**: Rest Web APIs, WCF Web APIs
- **Micro Services Tools**: Postman, Fiddler.
- **Databases**: SQL Server, .NET, Entity Framework.

## Experience Details:

- **Company Name**: PS International Infoservices Pvt. Ltd.
- **Duration**: January 2021 to Present.
- **Designation**: Software Developer.
- **Total Experience**: 3+ Year

## Project Work:

**Project 1: Apartment Visitor Management System**
**Overview:** The Apartment Visitor Management System is a web-based solution designed to optimize visitor management processes in residential apartment complexes. It offers features like pre-registration, QR code-based check-in, real-time monitoring, access control integration, and visitor history tracking.
**Key Features:** - Resident pre-registration with QR codes for convenient check-in. - Self-service QR code scanners at entry points for quick visitor check-in. - Real-time monitoring dashboard for security personnel. - Integration with access control systems for temporary access permissions. - Visitor history tracking for trend analysis and emergency preparedness.
**Technologies Used:**
HTML5, CSS3, Bootstrap, JavaScript, jQuery, Ajax, Angular, C#, ASP.NET, MVC5, Entity Framework.

**Project 2: Commercial Complex Visitor Management System**
**Overview:** The Commercial Complex Visitor Management System is a web-based solution designed to streamline visitor management in commercial complexes. It offers features like visitor pre-registration, self-service check-in, real-time monitoring, access control integration, and reporting.
**Key Features:** - Visitor pre-registration with QR codes for quick check-in. - Self-service kiosks for efficient check-in and badge generation. - Real-time monitoring dashboard for security personnel. - Integration with access control systems for temporary permissions. - Blacklist management to prevent unwanted entry. - Comprehensive reports for analytics and compliance.
**Technologies Used:**
HTML5, CSS3, Bootstrap, JavaScript, jQuery, Ajax, Angular, C#, ASP.NET, MVC5, Entity Framework.
